

*Continue to invest in your personal  
development.*

*Expand your occupational  
horizons by constant study . .*

*look to your present job as  
a stepping-stone along  
your career path.*

*Take time to think.*

*The dimensions of most jobs are constrained  
only by the mind  
of the uncreative worker.*

*I like what one business  
man counseled:*

*If at first you do succeed,  
try something harder!!!*
