

# **"Pride**

must be a special challenge  
in this dispensation,  
because the Book of Mormon,  
which was written  
to the people of our day,  
contains the most intensive  
and repetitive teachings  
about the evils of pride.  
It identifies pride as the cause  
of the spiritual and temporal  
downfall of the people  
Of God."

Dallin H. Oaks
