

“As we learn to think  
win-win,  
we seek mutual benefit  
in all our interactions.

We start thinking in terms  
of other people,  
of society as a whole.

It profoundly affects what  
we see as ‘important’,  
how we spend our time,  
our response in the  
moment of choice,  
and the results we get  
in our lives.”
