

"The destructive forces of Satan  
are becoming increasingly more  
effective in their relentless pursuit of  
the hearts and minds  
of men and women everywhere.  
Many of the very elite  
in the army of the Lord  
quite innocently have been led  
into habits that are gaining  
a stranglehold on them.  
I fear that there are members who are  
far less effective and far less satisfied  
with themselves  
than they could be or would be  
if they weren't so afflicted.  
Many of you may be victims  
and not even realize it."
