

**"My talents may not be great, but I can use them  
to bless the lives of others.**

**I can be one who does  
his work with pride in that  
which comes  
from hand and mind.**

**I can be one who works  
with respect for associates,  
for their opinions,  
for their beliefs,  
with appreciation for  
their problems  
and a desire to help them  
should they stumble."**
