

“I love the counsel given in Doctrine  
and Covenants 10:4:

‘Do not run  
faster or labor more  
than you have strength.’

Choose carefully each day  
that which you will do, and  
that which you will not do,  
and the Lord will bless you  
to accomplish  
the important things  
that have  
eternal consequences.”

Sister Marjorie Hinckley
